CRUISE 320 Combi Inox Clean Touch Fridge 1 Freezer

The ideal solution for those who want a perfect mix between refrigeration and freezing, with ample space for drinks and a lower module that combines fridge and freezer, all in a refined Clean Touch stainless steel design.

This configuration of the CRUISE 320 Inox Clean Touch offers a versatile solution that combines refrigeration and freezing in a single unit. The Cruise 160 Drink at the top provides ample space for beverages, while the lower section is divided into a refrigerator drawer and a freezer drawer, ensuring perfect organization. The Clean Touch stainless steel design makes it durable and easy to keep spotless.

Based on current configuration options, the DR 160 Inox is available in three versions:
both drawers as refrigerators;
both drawers as freezers;
one refrigerator drawer and one freezer drawer.
